

The Beta club will be helping out at The Shepherd's Market once a month this year!

The Shepherd's Market is a **client-choice food pantry** serving the hungry and needy in south Baton Rouge. It serves 35 families per day, or 400 families per month the focus area includes zip codes 70808, 70809, 70810 and 70820, but we serve any family in need.

A sign-up genius has been created to organize volunteers for this event. Students will receive 2 hours, which will count toward 8th grade community service hours as well as Beta Club hours. Please go to <https://tinyurl.com/y9kvv6nn> or scan the QR code at the bottom of this page.

We are asking for parent and student volunteers! We would like at least one parent to be there for each service.

The market also accepts donations. If you have something that you think they could use, please feel free to bring it along! Some high-demand items are listed below.
